The Durham Junior Golf Tour is now in its 27th year of providing a premier junior golf series. Our programs and goals are designed to provide our Juniors with the opportunity to experience golf under tournament conditions and at the same time, the Juniors are learning the Rules of Golf, building individual character, integrity, meeting new friends and developing sportsmanship. All of this, while having fun! The program runs for three months over the summer season. The tour is open to both male and female golfers, 18 years of age and younger (as of August 1, 2019),

*The Durham Junior Golf Tour is proudly presented by:*
